The Icu Book 5e Int Ed MARINO,2024-11

The ICU Book Paul L. Marino,2007 This best-selling resource provides a general overview and basic information for all adult intensive care units. The material is presented in a brief and quick-access format which allows for topic and exam review. It provides enough detailed and specific information to address most all questions and problems that arise in the ICU. Emphasis on fundamental principles in the text should prove useful for patient care outside the ICU as well. New chapters in this edition include hyperthermia and hypothermia syndromes; infection control in the ICU; and severe airflow obstruction. Sections have been reorganized and consolidated when appropriate to reinforce concepts. Purchase The ICU Book, Third Edition and visit TheICUBook.com, which gives you free access to links from references to PubMed, updated regularly; and a directory of Websites handpicked by Dr. Marino.

The Little ICU Book of Facts and Formulas Paul L. Marino,2008-08-01 Ideal for quick reference at the bedside, The Little ICU Book of Facts and Formulas is a smaller, condensed, compact, and portable version of The ICU Book, Third Edition. Most of the chapters in the larger book have been retained in the little book, but each chapter has been completely rewritten to include only the most essential information. The content is presented in outline format for easy access, and the book is densely packed with facts and formulas that represent the essentials of patient care in the adult ICU.

Oxygen Paul L. Marino, 2022 This unique work from acclaimed author Dr. Paul Marino (Marino's The ICU Book, The Little ICU Book) challenges the traditional notion that the human body thrives on oxygen, and that promoting tissue oxygenation is necessary for promoting life. This concept fails to recognize that oxygen is a destructive molecule that also damages the human body. Instead of welcoming oxygen, the human body limits exposure of the tissues to oxygen, and employs an army of chemical antioxidants to combat the damaging effects of oxygen. This oxygen protective human design represents a new paradigm for the relationship between oxygen and human survival, and it has important implications for the excessive and unregulated use of oxygen in clinical practice--

The ICU Book Marino,

The Icu Book Paul Marino, 2021-09-11 A fundamental and respected resource book in critical care, The ICU Book, Fourth Edition, continues to provide the current and practical guidance that have made it the best-selling text in critical care.
