Knock Knock Daniel Beaty, 2013-12-17 Winner of a Coretta Scott King Illustrator Medal and the Boston Horn Book Award
A simple, powerful book for children, about an absent father and the love he leaves behind Every morning, I play a game with my father. He goes knock knock on my door and I pretend to be asleep till he gets right next to the bed. And my papa, he tells me, I love you. But what happens when, one day, that knock knock doesn't come? This powerful and inspiring book shows the love that an absent parent can leave behind, and the strength that children find in themselves as they grow up and follow their dreams.

Love Child's Hotbed of Occasional Poetry Nikky Finney, 2020 National Book Award winner Nikky Finney's fifth collection of poems articulates the Black American history into a new language of docu-poetry.

They Call Me Güero David Bowles, 2021-08-24 An award-winning novel in verse about a boy who navigates the start of seventh grade and life growing up on the border the only way that feels right—through poetry. They call him Güero because of his red hair, pale skin, and freckles. Sometimes people only go off of what they see. Like the Mexican boxer Canelo Álvarez, twelve-year-old Güero is puro mexicano. He feels at home on both sides of the river, speaking Spanish or English. Güero is also a reader, gamer, and musician who runs with a squad of misfits called Los Bobbys. Together, they joke around and talk about their expanding world, which now includes girls. (Don't cross Joanna—she's tough as nails.) Güero faces the start of seventh grade with heart and smarts, his family's traditions, and his trusty accordion. And when life gets tough for this Mexican American border kid, he knows what to do: He writes poetry. Honoring multiple poetic traditions, *They Call Me Güero* is a classic in the making and the recipient of a Pura Belpré Honor, a Tomás Rivera Mexican American Children's Book Award, a Claudia Lewis Award for Excellence in Poetry, and a Walter Dean Myers Honor.

Milk and Honey Rupi Kaur, 2015-10-06 The book is divided into four chapters, and each chapter serves a different purpose. Deals with a different pain. Heals a different heartache. *milk and honey* takes readers through a journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are just willing to look.

Finding Meaning David Kessler, 2019-11-05 In this groundbreaking new work, David Kessler—an expert on grief and the coauthor with Elisabeth Kübler-Ross of the iconic *On Grief and Grieving*—journeys beyond the classic five stages to discover a sixth stage: meaning. In 1969, Elisabeth Kübler-Ross first identified the stages of dying in her transformative book *On Death and Dying*. Decades later, she and David Kessler wrote the classic *On Grief and Grieving*, introducing the stages of grief with the same transformative pragmatism and compassion. Now, based on hard-earned personal experiences, as well as knowledge and wisdom earned through decades of work with the grieving, Kessler introduces a critical sixth stage. Many people look for “closure” after a loss. Kessler argues that it’s finding meaning beyond the stages of grief most of us are familiar with—denial, anger, bargaining, depression, and acceptance—that can transform grief into a more peaceful and hopeful experience. In this book, Kessler gives readers a roadmap to remembering those who have died with more love than pain; he shows us how to move forward in a way that honors our loved ones. Kessler’s insight is both professional and intensely personal. His journey with grief began when, as a child, he witnessed a mass shooting at the same time his mother was dying. For most of his life, Kessler taught physicians, nurses, counselors, police, and first responders about end of life, trauma, and grief, as well as leading talks and retreats for those experiencing grief. Despite his knowledge, his life was upended by the sudden death of his twenty-one-year-old son. How does the grief expert handle such a tragic loss? He knew he had to find a way through this unexpected, devastating loss, a way that would honor his son. That, ultimately, was the sixth state of grief—meaning. In *Finding Meaning*, Kessler shares the insights, collective wisdom, and powerful tools that will help those experiencing loss. *Finding Meaning* is a necessary addition to grief literature and a vital guide to healing from tremendous loss. This is an inspiring, deeply intelligent must-read for anyone looking to journey away from suffering, through loss, and towards meaning.

An Indian Farrago: Stories and Poems Mohit Khare, 1901 A crook messes up his first murder due to a misplaced phone call, a tenant grapples with his grumpy ex-landlord to get back his deposit, a son revels in his father coming out of depression due to a leopard. An orphan slum boy and his dog caught in Mumbai’s biggest deluge, a young boy’s escapades in the hills only to be held captive while witnessing wildfires, a gifted but struggling poet becoming estranged with his wife due to the adversities of life. In this seeming farrago of short stories and poems - you will encounter incredible but real characters dealing with tricky situations, complex human relationships, dreams, superstitions and even reflections on the basic premise

of life. From these myriad pieces, some of which are broken, some complete, some colourful and some dark, there emerges a synergy, a harmony in the way they are all cemented together to create a beautifully imperfect mosaic that promises to resonate with your mind and nudge your heart.

The Absent Father Effect on Daughters Susan E. author Schwartz,2021 This book investigates the impact of absent - physically or emotionally - and inadequate fathers on the lives and psyches of their daughters through the perspective of Jungian analytical psychology. It tells the stories of daughters who describe the insecurity of self, the splintering and disintegration of the personality, and the silencing of voice. It is relevant for those wanting to understand the complex dynamics of daughters and fathers to become their authentic selves and essential reading for those seeking understanding, analytical and depth psychologists, therapy professionals, academics and students with Jungian and post-Jungian interests--.

Cecil the Pet Glacier Matthea Harvey,2012-08-14 In a starred review Publishers Weekly raves: It's an avant-garde, surrealist story with a Hollywood-style tearjerker lurking within—and a surprisingly charming and affecting one at that. Award-winning poet Matthea Harvey and illustrator extraordinaire Giselle Potter team up to create an indescribably unique picture book about wanting to be normal, then coming to appreciate being different. Ruby would love to be like everyone else—not easy when you have a tiara-wearing mother and a father who spends his time trimming outrageous topiary. She'd also like to get a nice normal pet, maybe a dog. Then, on a family vacation to Norway, she finds herself adopted by a small, affectionate glacier. How Cecil, as the ice pet is named, proves himself to Ruby—risking his own meltdown—is a story sure to thrill and delight young readers.

When My Brother Was an Aztec Natalie Diaz,2012-12-04 I write hungry sentences, Natalie Diaz once explained in an interview, because they want more and more lyricism and imagery to satisfy them. This debut collection is a fast-paced tour of Mojave life and family narrative: A sister fights for or against a brother on meth, and everyone from Antigone, Houdini, Huitzilopochtli, and Jesus is invoked and invited to hash it out. These darkly humorous poems illuminate far corners of the heart, revealing teeth, tails, and more than a few dreams. I watched a lion eat a man like a piece of fruit, peel tendons from fascia like pith from rind, then lick the sweet meat from its hard core of bones. The man had earned this feast and his own deliciousness by ringing a stick against the lion's cage, calling out Here, Kitty Kitty, Meow! With one swipe of a paw much like a catcher's mitt with fangs, the lion pulled the man into the cage, rattling his skeleton against the metal bars. The lion didn't want to do it— He didn't want to eat the man like a piece of fruit and he told the crowd this: I only wanted some goddamn sleep . . . Natalie Diaz was born and raised on the Fort Mojave Indian Reservation in Needles, California. After playing professional basketball for four years in Europe and Asia, Diaz returned to the states to complete her MFA at Old Dominion University. She lives in Surprise, Arizona, and is working to preserve the Mojave language.

Inside Out & Back Again Thanhha Lai, 2013-03-01 Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Grieving Dads Kelly Farley, 2012 *Grieving Dads: To the Brink and Back* is a collection of candid stories from grieving dads that were interviewed over a two year period. The book offers insight from fellow members of, in the haunting words of one dad, this terrible, terrible club, which consists of men who have experienced the death of a child. This book is a collection of survival stories by men who have survived the worst possible loss and lived to tell the tale. They are real stories that pull no punches and are told with brutal honesty. Men that have shared their deepest and darkest moments. Moments that included thoughts of suicide, self-medication and homelessness. Some of these men have found their way back from the brink while others are still standing there, stuck in their pain. The core message of *Grieving Dads* is you're not alone. It is a message that desperately needs to be delivered to grieving dads who often grieve in silence due to society's expectations. *Grieving Dads: To the Brink and Back* is a book that no grieving dad or anyone who cares for him should be without. As any grieving parent will tell you, there are no words to describe the hell one experiences after the death of a child. Many men have no clue how to deal with or understand the myriad emotional, mental, and physical responses experienced after the death of a child. Stories appearing in the book have been carefully selected to represent a cross-section of fathers, as well as a diverse portrayal of loss. This approach helps reflect the full spectrum of grief, from the early days of shock and trauma to the long view after living with loss for many years. Any bereaved father will find brotherhood in these pages, and will feel that someone understands them. While there is plenty of raw emotion in this book-the stories are not exercises in self-pity nor are they studies in grief. They are survival stories instead. Some are testimonies to hope. Some are gut-wrenching accounts of overwhelming despair. But all of them are real-life stories from real-life grieving dads, and they show that even if one reaches his physical and emotional bottom, it is possible (although not easy) to live through that pain and find one's way to the other side of grief. Most dads in this book found themselves in a state of physical, mental, and emotional collapse after the death of their child. As if the losses alone weren't enough to drive these men to the brink, most try to deal with their grief according to the conventional wisdom so many men are brought up with, which perversely, increases their suffering all the more. We all know the party line about how men are supposed to deal with loss or even disappointment: toughen up, get back to work, take it like a man, support your wife, don't talk about your emotions, don't lose control, and if you must cry-by all means do

so in private.

Missing Daddy Mariame Kaba, 2019-09-17 “This book is a crucial tool for parents, educators, and anyone who cares about the well-being of children who, through no fault of their own, are forced to bear the consequences of our country’s obsession with incarceration. For children who desperately miss their parents, feel confused, or are teased at school, this book can go a long way in letting them know that they are not alone and in normalizing their experiences.” —Eve L. Ewing A little girl who misses her father because he's away in prison shares how his absence affects different parts of her life. Her greatest excitement is the days when she gets to visit her beloved father. With gorgeous illustrations throughout, this book illuminates the heartaches of dealing with missing a parent and shows that a little girl's love can overcome her father's incarceration. Mariame Kaba is an educator and organizer based in New York City. She has been active in anti-criminalization and anti-violence movements for the past thirty years. bria royal is a multidisciplinary artist based in Chicago.

Habitat Threshold Craig Santos Perez, 2020 Native Pacific Islander writer Craig Santos Perez has crafted a timely collection of eco-poetry comprised of free verse, prose, haiku, sonnets, satire, and a form he calls recycling. Habitat Threshold begins with the birth and growth of the author's daughter and captures her childlike awe at the wondrous planet. As the book progresses, however, Perez confronts the impacts of environmental injustice, global capitalism, toxic waste, animal extinctions, water struggles, human violence, mass migration, and climate change. Throughout, Perez mourns lost habitats and species and faces his fears about the world his daughter will inherit. Yet this work does not end at the threshold of elegy; instead, the poet envisions a sustainable future in which our ethics are shaped by the indigenous belief that the earth is sacred and all beings are interconnected--a future in which we cultivate love and carry each other towards the horizon of care.--

Mother Hunger Kelly McDaniel, 2021-07-20 An insatiable need for sex and love. Periods of overeating or starving. A pattern of unstable and painful relationships. Does this sound painfully familiar? Trauma counselor Kelly McDaniel has seen these traits over and over in clients who feel trapped in cycles of harmful behaviors-and are unable to stop. Many of us find ourselves stuck in unhealthy habits simply because we don't see a better way. With *Mother Hunger*, McDaniel helps women break the cycle of destructive behavior by taking a fresh look at childhood trauma and its lasting impact. In doing so, she destigmatizes the shame that comes with being under-mothered and misdiagnosed. McDaniel offers a healing path with powerful tools that include therapeutic interventions and lifestyle changes in service to healthy relationships. The constant search for mother love can be a lifelong emotional burden, but healing begins with knowing and naming what we are missing. McDaniel is the first clinician to identify Mother Hunger, which demystifies the search for love and provides the compass that each woman needs to end the struggle with achy, lonely emptiness, and come home to herself.

Obit Victoria Chang, 2020-04-07 The New York Times 100 Notable Books of 2020 Time Magazine's 100 Must-Read Books

of 2020 NPR's Best Books of 2020 National Book Award in Poetry, Longlist Frank Sanchez Book Award After her mother died, poet Victoria Chang refused to write elegies. Rather, she distilled her grief during a feverish two weeks by writing scores of poetic obituaries for all she lost in the world. In *Obit*, Chang writes of “the way memory gets up after someone has died and starts walking.” These poems reinvent the form of newspaper obituary to both name what has died (“civility,” “language,” “the future,” “Mother’s blue dress”) and the cultural impact of death on the living. Whereas elegy attempts to immortalize the dead, an obituary expresses loss, and the love for the dead becomes a conduit for self-expression. In this unflinching and lyrical book, Chang meets her grief and creates a powerful testament for the living. When you lose someone you love, the world doesn’t stop to let you mourn. Nor does it allow you to linger as you learn to live with a gaping hole in your heart. Indeed, this daily indifference to being left behind epitomizes the unique pain of grieving. Victoria Chang captures this visceral, heart-stopping ache in *Obit*, the book of poetry she wrote after the death of her mother. Although Chang initially balked at writing an obituary, she soon found herself writing eulogies for the small losses that preceded and followed her mother’s death, each one an ode to her mother’s life and influence. Chang also thoughtfully examines how she will be remembered by her own children in time.—Time Magazine

Worldly Things Michael Kleber-Diggs, 2021-06-08 Finalist for the 2022 Minnesota Book Award in Poetry “Sometimes,” Michael Kleber-Diggs writes in this winner of the Max Ritvo Poetry Prize, “everything reduces to circles and lines.” In these poems, Kleber-Diggs names delight in the same breath as loss. Moments suffused with love—teaching his daughter how to drive; watching his grandmother bake a cake; waking beside his beloved to ponder trumpet mechanics—couple with moments of wrenching grief—a father’s life ended by a gun; mourning children draped around their mother’s waist; Freddie Gray’s death in police custody. Even in the refuge-space of dreams, a man calls the police on his Black neighbor. But *Worldly Things* refuses to “offer allegiance” to this centuries-old status quo. With uncompromising candor, Kleber-Diggs documents the many ways America systemically fails those who call it home while also calling upon our collective potential for something better. “Let’s create folklore side-by-side,” he urges, asking us to aspire to a form of nurturing defined by tenderness, to a kind of community devoted to mutual prosperity. “All of us want,” after all, “our share of light, and just enough rainfall.” Sonorous and measured, the poems of *Worldly Things* offer needed guidance on ways forward—toward radical kindness and a socially responsible poetics.
